MoU BETWEEN CED & CHILDREN'S UNIVERSITY, GANDHINAGAR

With a common desire to promote development for the children with age below 18 years, CED & Children's University have entered into MoU. Children's University works closely with all kinds of learning providers and activity leaders to offer children the widest variety of opportunities.

Under this collaboration, following activities will be undertaken:

To organize Sector Specific Entrepreneurship Awareness Programs & Entrepreneurship Development Programs for Toy Making enthusiast entrepreneurs

To organize Entrepreneurship Development Program for Tapovan Counselling which will enable participants to become self-employed Tapaovan Counselor.
