WHAT'S NEW @ CED ?

SEMINARS ON POTENTIAL OPPORTUNITIES IN VARIOUS SECTORS

In India, there are so many opportunities available for new as well as existing entrepreneurs. The Indian government is also contributing to create opportunities through "Make in India". The entrepreneurs can grab these opportunities & let their entrepreneurial dreams take a flight.

CED works towards making the entrepreneurs aware of such opportunities that lie in various sectors through regular seminars. Following are few seminar recently organized at our Naroda Campus.

Seminar on EV SECTOR

Seminar on E- WASTE

Seminar on BANKING & FINANCE

ENTREPRENEURSHIP DEVELOPMENT PROGRAM @ NARODA CAMPUS (EDP)

Entrepreneurial Development Programme (EDP) is formulated to assist the individuals in reinforcing their entrepreneurial motives, and attaining competencies and skills which is essential for performing an entrepreneurial role successfully.

CED organizes EDP on a regular basis that covers topics like marketing, finance, production, etc. Here are few glimpses of the recently held EDP.

ONLINE SESSION ON ENERGY, CLIMATE & SUSTAINABILITY

CED, on its path to communicate the potential opportunities that lie in the field of sustainable energy organizes seminars regularly upon the same.

One such online session was recently organized on **Energy, Climate & Sustainability**.

VC GTU, Member Secretary Gujarat Cleaner Production Centre and CED Director briefed the aspirant entrepreneurs and participants during the program. The session covered a basic introduction to the theoretical and practical understanding of how energy and climate change policies are designed, shaped, advocated and implemented.
