4TH QUARTER OF ENTREPRENEURSHIP DEVELOPMENT PROGRAM (EDP)

WHY ENTREPRENEURSHIP?

New markets developed

New wealth created

Increased employment

Higher earnings contribute to better national income

Creates social change

CED HAS RECENTLY INITIATED ITS 4TH QUARTER OF EDP PROGRAM MODULE I & MODULE II.

These programs are focused to develop knowledge about various aspects of business like finance, marketing, production, etc. Module I program is a more detailed one with deeper emphasis upon various business aspects. At the end of both the programs, practical experience of industrial visit is organized virtually owing to the current Covid Restrictions.

HERE ARE THE NO. OF PARTICIPANTS OF BOTH THE PROGRAMS:

EDP MODULE 1 - 4 BATCHES - 139 TRAINEES

EDP MODULE 2 - 42 BATCHES - 1197 TRAINEES

SPECIAL WEEKEND BATCH ON COW BASED ECONOMY

CED successfully completed Special Weekend Batch on the topic "Cow Based Economy & related activities". Various insightful aspects like ideal dairy farm, A1 vs A2 & Desi Cows, Cow lifecycle, etc. were covered under this 4 day program on every weekend.

Practical knowledge is equally important and hence, a tour to Amrut Dairy Farm was also organized to give the participants a practical exposure. A total of 37 participants were a part of this training & successfully completed it with positive feedback.
