COLLABORATING *With* THE BEST

CED is collaborating with leading corporates and reputed institutions engaged in the field of education, research and development. The purpose of such collaboration is to understand how various programs like EDP, Skill Development training, Post Training Hand Holding Support, incubation and cluster development can be designed as per industrial needs. Further, this will add fuel to the growth of CED activities and will help in achieving the desired reach.

CED has recently signed an MoU with Ambuja Foundation, Institute of Teaching and Research in Ayurveda and Fanidhar Mega Food Park Pvt Ltd. The organization is also in talks with Bhakt Kavi Narsinh Mehta University for joining hands in Skill Development and Entrepreneurship.
