CED PARTICIPATION IN MINI SYMPOSIUM FOR ENGINEERING EDUCATION

A Mini Symposium was organized by Indo Universal collaboration for engineering education (IUCEE) under the theme of **"Smart, Clean, Green & Sustainability - Practice, Share, Adapt"**. The objective of IUCEE is to analyze the transformation of engineering education and perfectly embody the spirit of cooperation in our shared vision for a sustainable world. More than 200 students, faculties, and industry experts were a part of this session.

Dr. Ram Nath Prasad, Director of CED was a part of this symposium to deliver a keynote address. He rightly emphasized, during his address to the audience, on objective oriented entrepreneurship, sustainable development, risk ability for entrepreneurship and how passion holds key importance to pursue entrepreneurship.
