EDP Bulletin February 2024

Surat, previously known as Suryapur, is a city in the Indian state of Gujarat. Surat – the modern port city of today boasts of a great historical and cultural heritage. The history of Surat takes us back to the epic age of Mahabharata and Ramayana. According to mythological beliefs, Lord Krishna stopped in the city during his journey from Mathura to Dwarka. This e bulletin throws light on entrepreneurship development related activities of Surat Region.

EAW PROGRAM AT VAPI HELD ON 07/02/2024

CED Valsad district coordinator MEHUL N PATEL arranged a one day EAW program at Vapi taluka Motapondha village. Total 25 female students participated in the EAW program to become an independent entrepreneur woman.

After discussing the specifics of the 12-day EDP programme, business opportunities, and how to become a successful entrepreneur in any industry, with Mahila Gruh Udhyog, women were given recognition as members of society through this programme. where they will be guided to register for EDP II and launch their own home-based business, creating a fresh revenue stream by optimising their own capabilities.

EDP II PROGRAM AT CHOVISI COLLEGE, NAVSARI HELD ON 20-02-2024

Before starting the EDP-2 programme, the CED Surat Team, working along with Surat SUC TP Ambuja Cement, arranged Entrepreneurship Awareness Workshops in rural Navsari District. Through group mobilizers and counsellors who collaborate with a network of non-governmental organisations and government representatives, the team engages women and youth.

Ambuja Cement Foundation, TP of Surat Region Office, inaugurated EDP II in Navsari District. Mr. Sandeep discussed his experiences with a range of activities during the session. Avnish Hirpara discussed the value of time, what entrepreneurship is, and who may become an entrepreneur. Through this EDP II Programme, they will learn the steps involved in becoming successful entrepreneurs. This will include learning about government programmes, how to manage their own businesses, how to make a living, public speaking, the value of sattvic food for a healthy lifestyle, and how to run their own business.
