NEW HORIZONS PATH TO PROGRESS

Collaboration is creating purposeful connections, both internally and externally, to achieve common goals. CED is in talks with reputed organizations for collaboration in the field of entrepreneurship development, skill development, incubation etc.

The Institute of Teaching and Research in Ayurveda (ITRA- An Institution of National Importance), Jamnagar, Ambuja Cement Foundation, Gujarat Heavy Chemical Limited, Milacron India Pvt Ltd, Alembic Ltd. etc. are looking to collaborate with us as training partners and help us to achieve our goals of spreading the idea of entrepreneurship, self-employment & innovation. Many organizations & startups with innovative ideas & technical innovations have also approached us to collaborate & make people aware of the market scenario.

Considering the growth of agro based industries, CED recently met authorized personnel from Fanidhar Mega Food Park Pvt Ltd and Gujarat Agro Industries Ltd for specialized training programs in food and agro based industries.
