SPECIAL ENTREPRENEURSHIP DEVELOPMENT PROGRAMME (EDP) FOR WOMEN

The EDP 2 program was conducted in Santrampur Taluka of Aravalli region. The Special Entrepreneurship Development Programme (EDP) for women is a dedicated initiative designed to empower and support women in their entrepreneurial journey. This program provides a comprehensive platform for women to develop essential business skills, cultivate innovative ideas, and foster a strong entrepreneurial mindset.

ENTREPRENEURSHIP DEVELOPMENT PROGRAMME (EDP) MODULE 2

The EDP 2 program session was conducted in various districts of the Aravalli region, including Kadana taluka, Malpur taluka and Vadgam taluka in Banaskantha. Such EDP Program aims to equip participants with the knowledge and tools needed to start, manage, and grow their own businesses. It addresses various aspects of entrepreneurship, including business planning, marketing strategies, financial management, and legal considerations.

INDUSTRIAL VISIT AS A PART OF ENTREPRENEURSHIP DEVELOPMENT PROGRAMME (EDP)

During our EDP Module 2 program, participants have the opportunity to delve into the practical aspects of their training through an enriching industrial visit. Participants not only gain practical exposure but also acquire insightful knowledge during the workshop.

SCHOOL VISIT TO MODASA SKILL UPGRADATION CENTER (SUC)

CED recently conducted a successful visit for the students of Shakaria Primary School at the Modasa Skill Upgradation Center (SUC). During this visit, the students acquired valuable information and knowledge about skill development and gained insights into the essential work carried out at SUC.

“SWACHHATA HI SEVA” 2023 PROGRAM

CED recently organized a cleanliness drive at Modasa SUC as a part of the "Swachhata Hi Seva" 2023 initiative. This initiative served as a catalyst for a better understanding of cleanliness. In light of the enthusiastic participation involved in this drive, they came together to clean the Modasa Center.
