

## EMPOWERING AND ENHANCING ENTREPRENEURIAL SPIRIT & SKILL DEVELOPMENT

Dated - 6<sup>th</sup> May 2023

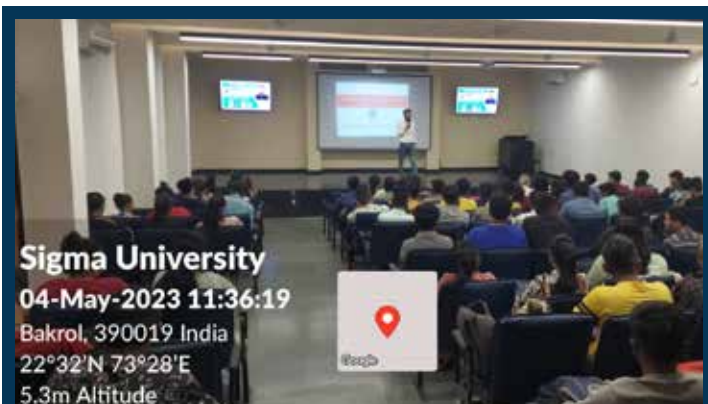

### ENTREPRENEURSHIP AWARENESS WORKSHOP (EAW)

EAW is organized regularly to nurture the talent of people who have an entrepreneurial mindset and are keen on pursuing their dream of setting up their own business. Under this program, the participants are made aware of our EDP programs and its brief curriculum.

EAW was recently held at following place:

ITI Lathi, Amreli under Bhavnagar Region

Sigma University, Vadodara

### HUMAN RESOURCE DEVELOPMENT PROGRAM (HRD)

CED is organizing need based training programs related to HRD for various organizations. Such a program was recently organized at Sumitomo Chemical India Ltd, Bhavnagar.

### SKILL DEVELOPMENT PROGRAMS

With a robust network of skill upgradation centres spread across the state, CED is paving the way for individuals to acquire valuable skills and knowledge through a diverse range of skill development courses, empowering them for a better future and self-reliance. Here are some recently organized courses:

Electric Repairing Work at SUC Gondal

Electrical Work in Progress at SUC Dhandhuka

### WORKSHOPS TO EMPOWER RURAL COMMUNITY

Establishing trust and rapport within rural communities, leveraging their social capital and utilizing their fundamental skillset, rural communities can boost the startup ecosystem in rural areas, ensuring overall development in rural villages with a more significant push for economic growth.

An Awareness Workshop was successfully organised today at SUC GONDAL for TCMs (Talati cum Mantri) of all the villages under Gondal Taluka. TDO (Taluka Development Officer) also visited the SUC and participated along with the team.
