SECOND GENERATION PROGRAM

BY CED REGIONAL OFFICE, BHAVNAGAR

There may be limitation but it is upon us how we turn it into an opportunity. CED knows the importance of continuous knowledge flow & hence have started conducting online programs.

Our very first Online Second Generation Program was conducted for Bhavnagar region on the topic " Stop Worrying, Start Growing Your Business". In this lockdown scenario, it is important for the existing businessmen to stay motivated and think about growing their business. Hence, the program focused on what are the problems faced by the businessmen & how they can utilize this lockdown period to research and collaborate with other businesses for mutual benefits.
