PRASAD
DIRECTOR, CED**

The beginning of 2019 couldn't have been better. With Vibrant Gujarat Trade Show 2019, opportunities opened to give a global exposure to entrepreneurs who have undertaken training from CED and have started with their entrepreneurial journey.

CED is working as the nodal agency to implement National Scheduled Caste - Scheduled Tribe Hub Scheme in Gujarat. In lieu of one of its component that involves Exhibitions/Trade Fair, CED booked 78 stalls for SC-ST entrepreneurs to provide them an opportunity to display their products and services.

I take immense pride in saying that all the stalls were booked by these entrepreneurs. Apart from this, MOUs were signed with Russian & France delegates on the subject of skill development. Tribal Entrepreneurship Development Program was initiated at various regions alongwith the General EDP program conducted in Vadodara and Naroda campus. Hope the rest of the year brings opportunities just like in this beginning of new year.

Happy Reading!
